Proposed Land Use

Town of Townshend, Vt.

November 2016

- Structure
- Parcel boundary (2012)
- Utility Corridor
- Federal Land (FL)
- Health Care Services District (HC)
- Productive Rural Lands (PR)
- Resource Lands (R)
- Rural Residential (RR)
- State Forest (SF)
- Village District (V)

Data sources:

- Proposed land use areas were defined by the Townshend Planning Commission and digitized by the Windham Regional Commission.
- Utility corridors were digitized by WRC from 1989 Vermont Orthophotos, updated in 2016.
- State and Federal land boundaries are from Townshend's digital parcel data.
- Parcel boundaries are from Townshend's 1:5000 tax maps updated by Dauchy Associates in 2012.
- Building locations were captured using Global Positioning System technology and are extracted from the VGIS data layer ESITE. Data are current to 2016.

*Note: The maps of this Plan are key to understanding the vision of the Plan in the same manner as the Plan's policies; the maps and policies should be used in concert with each other.
- This map should be used for planning purposes and general reference only.*
