1. Recognize that the 2% of our New England region's power grid supply that is provided by Vermont Yankee Nuclear Power Plant can be replaced with a combination of local, renewable electricity and efficiency measures, along with the purchase of hydro

generated electricity, and excess power already in the New England electricity market;

2. Given that viable alternatives and the risks posed by continued operation, ensure that Vermont Yankee will cease operation in March 2012, after having completed its 40 year design life by not granting approval for operation of the plant after that date and by not determining that further operation will promote the general welfare;

3. Hold the Entergy Corporation, which purchased Vermont Yankee in 2002, responsible to fully fund the plant's clean-up and decommissioning when the reactor closes, as the corporation pledged to do when it purchased Vermont Yankee."

ARTICLE XIX. To see if the Town will authorize the Board of Selectmen to sell or convey properties acquired by the Town through tax sales and to execute, acknowledge and deliver deed and other transfer documents upon such terms and conditions as the Board of Selectmen may deem to be in the interest of the Town?

ARTICLE XX. To see if the Town will authorize the Board of Selectmen to acquire, by gift or purchase, land for municipal forest, to promote reforestation, water conservation and good forestry practices?

ARTICLE XXI. To transact any other non-binding business to properly come before said Meeting?
