

POLICY STATEMENT

This document is to be known as the Policy Statement of the Town of Townshend concerning all Class 4 Town Highways.

Whereas the Town has several Class 4 Highways, which some are designated as such on the General Highway Map prepared by the Vermont Agency of Transportation annually. This classification includes legal trails and other Class 4 Highways, which are not on the map.

It is hereby set forth as our policy to do no maintenance or construction work on Class 4 rights-of-way at all as may have been practiced in the past.

It is also established that property owners may make improvements to these Class 4 rights-of-way at their own expense after receipt of a Permit from the Board of Selectmen.

It is also established that the Town will maintain what are presently Class 4 rights-of-way only under the following conditions:

Only after the right-of-way is reconstructed, by an abutting land owner at his own expense, to the Town of Townshend's minimum road specifications in effect at the time of request for maintenance.

That the section of Class 4 right-of-way being reconstructed be adjacent to an existing travelled highway.

Dated at Townshend, Vermont, this _____ day of da/k _____, 1991.
