- The school take over and stay as is
- Discontinue winter sports program

- Craig made a motion to have school dismissed at 11:30 and provide bus transportation home. The remainder of the day the teachers will be expected to participate in staff professional development since this would be a paid contractual day. The school will not participate in any manner with the events that happen after school including sending home permission slips, providing equipment/clothing, or handling disciplinary issues if they arise. If students are to be transported to somewhere other than home, then parents will need to notify the school in advance of the change of routine.
